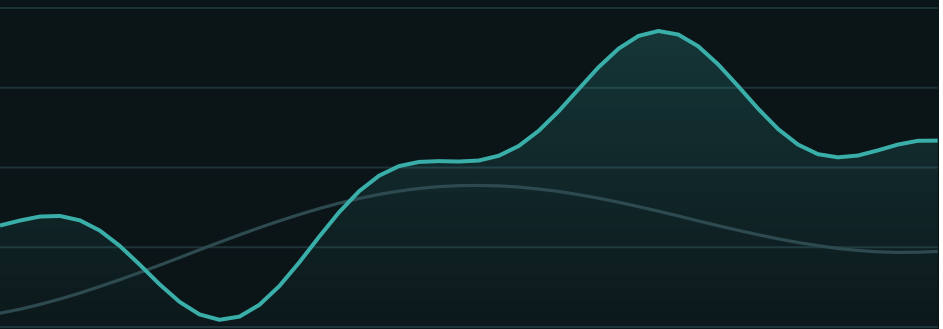
ORTEX

ORTEX DATA

Event and **economic calendars**

Company events and macro releases in one calendar, with the surprise against forecast.



Know what is coming, and how it landed. ORTEX brings together the company event calendar, with earnings dates, earnings calls, conference presentations and investor days, and a global economic calendar of GDP, inflation, employment and central-bank releases, each with the actual figure, the forecast, the previous reading and the surprise.

570,000
company events in the last 12 months

EVENT AND ECONOMIC CALENDARS

What is coming, **and how it landed**

ORTEX

Company and economic events in one calendar.

01

Earnings dates

Upcoming and historical earnings announcements, a month ahead and as far back as you need.

02

Calls and presentations

Earnings calls, conference presentations, investor days and special calls.

03

Economic releases

GDP, inflation, employment, trade, sentiment and central-bank decisions worldwide.

04

Actual, forecast, surprise

Every release carries the actual, the expected and the previous reading.

05

Updated through the morning

Refreshed through the European and US morning, so a print is in the data minutes after release.

06

One calendar

Company and economic events in the same feed.

AT A GLANCE

COVERAGE

Global company events and economic releases

WINDOW

History plus the month ahead

DELIVERY

API, ORTEX platform

WHY ORTEX

Company and macro events in one feed with the surprise already calculated.
